Good day Peter,

There are no product avails in Prince Rupert.

Nearest port is Vancouver, lsmgo indicis @ usd 580mtw plus barging.

Best Regards,
Aegean / Winny

Dear Winny

The subject vessel will require LSGO 50-100 Mts DMA full ISO 2010 standards (S < 0.1%). Can you please confirm availability and advise price indication for our reference? Thanks!

Regards,

Peter
